

6th Grade Parent Presentation 2021 - 2022

Introductions and Gratitudes

Tom Barbini - Principal

Stefanie Vogt - Assistant Principal

Dan Aguilar - Dean of Students

THANK YOU FOR YOUR CONTINUED SUPPORT FOR KELLER!

Goals for our 6th Grade Parent Night Presentation

- Get to know us at Keller.
- Gain an understanding about the school day at the Junior High as well as electives.
- Begin supporting families with having a smooth transition into junior high.

AGENDA

- Introduction & Gratitudes
- District 54 Goals and Ensuring Student Success
- What we believe at Keller
- Message to our students - Live above the line
- Learn some basic information about Keller
- To understand how your child's schedule will look next year
- To learn about all the exciting opportunities to get involved at Keller

The Foundation

One District, One Mission

Ensuring Student Success

- District 54 will ensure the ***success of the whole child*** by providing comprehensive approaches and programming, grounded in the belief that each child deserves to be Healthy, Safe, Engaged, Supported and Challenged.
- District 54 will perform in the ***top 10%*** of all schools in reading and math growth and proficiency as measured by state and local assessments.
- District 54 will ***close the achievement gap*** for ALL students in reading and math as measured by state and local assessments.

Connecting our Work at Keller back to the District 54 Board Goals

Anchor of our Work at Keller

- Will continue to be the academic and social emotional needs of our students.
 - Knowing them by **NAME and NEED**.
 - Providing ALL of our students with the best initial instruction, intervention, social emotional support as possible.

Focus of our Work at Keller

- Will continue to be focused on the results related to **High Academic Achievement**.
 - Our mentality and approach will continue to be to take ownership for and believe that every child can learn at the highest levels without exception.
- Will continue to be focused on **Positive School Culture**.
 - Our mentality and approach will continue to be to create the best learning environment for our staff and students.

Connecting Back to our Big Picture “WHY” at Keller

1. Relationships matter - one way we will know we have been successful is when we establish **close and trusting relationships** with staff, students, and families that lead to ensuring student success and strong levels of collaboration.
2. Knowing every student by name, face, personally, and academically assists with shifting our strong student relationships, to **learning partnerships** in the classroom.
3. As a staff, continue to have shared ownership for:
 - **High Academic Achievement** and **Positive School Culture.**
 - The belief that all students can learn and are capable of success at the highest academic levels without exception and without limitation.
 - Creating a learning environment that ensures students are healthy, safe, engaged and supported.

And we will do all of this because...

We believe we exist to provide an educational experience that will provide the foundation for a better future and life for all of our students.

Charting the Course for the Graduating Class of 2024

Charting the Course for 2022 - 2023

- Provide a world class education
- Coaching to all students on how to foster an optimistic mindset through happiness, grit, and meaning
- Developing the transferable academic skills - the 4Cs

What We Believe at Keller Junior High

- That we exist to provide an educational experience that will provide the foundation for a better future and life for all of our students.
 - To ensure this experience becomes a reality for our students, our work will be fueled by our commitment to the staff, students, and Keller community to pursue EXCELLENCE and ALWAYS look for ways to learn, improve, and grow as a team at Keller.

Message To Our Students = Live Above The Line

You Represent Four Things in Your Life Right Now:

1. Yourself
2. Your Family
3. Your Elementary School
4. Keller Junior High

*** *WHEREVER YOU GO, WHATEVER YOU DO!!***

*****TOGETHER AS ONE we will represent those four things with the Highest Respect and Regard.***

How We Behave as a School Community

- *STAFF and STUDENTS* will know they are *LIVING ABOVE THE LINE* when "*TOGETHER AS ONE*":

Collaborative: Utilize and access the ideas, instructional strategies, and talents of our colleagues to learn, reflect, and improve our professional practice as it relates to high academic achievement and positive school culture.

Ownership: Base our work as a school knowing that all students can learn and are capable of success at the highest academic levels without exception and without limitation.

How We Behave as a School Community - Continued

- *STAFF and STUDENTS* will know they are *LIVING ABOVE THE LINE* when "*TOGETHER AS ONE*":

Relationships: Establish close and trusting relationships with staff, students, and parents that lend to ensuring student success and strong collaboration.

Reflective: Commit to approaching all events/situations, regardless of the outcome being positive or negative, as opportunities for continuous growth and improvement.

WHAT WE BELIEVE, HOW WE BEHAVE,
AND HOW WE APPROACH OUR WORK
SETS THE TONE AND PROVIDES A
SUCCESSFUL FOUNDATION EACH DAY!

Graduating Class of 2024

- Expect Success
- You will need to work hard DAILY to WIN THE DAY!
- In order to reach goals, overcome obstacles, maximize opportunities, and become the best version of ourselves, there are NO SHORT CUTS! Just a daily investment at working hard in everything you do. We have all the confidence that you will exceed all of our expectations!

TOGETHER AS ONE

TOGETHER AS ONE

- Our theme at Keller
- One team, one family
- Without Equal

Together As One Allows Us To Be *WITHOUT EQUAL*

- To be without equal means to prevail no matter what the odds or how difficult the situation. Simply put, to have an authentic will to win.
- To be without equal requires each one of us to take extreme OWNERSHIP, be highly REFLECTIVE, and build strong RELATIONSHIPS that lend to high levels of COLLABORATION.
- “Without Equal” - Speaks to *TEAMS* and most importantly family... the most important aspect of one’s home life and work place.
- This staff is a family and it is one of the many reasons why Keller Junior High has been so successful year after year.
- This community is a family and it serves as the backbone for our success as a school community.
- The success and happiness of Keller has been directly related to how well we *CONNECT* with, *RELATE* to, and *LEARN* from one another. And most importantly, partner with families.

Keller Background

About Keller

- Over 600 students
- 4 main feeder schools
- Spanish Dual Language Program
- Discovery Program
- Onsite District 54 Food Pantry
- Our students feed into Schaumburg, Hoffman Estates, and Conant High Schools
- Home to the District 54 junior high Autism Program

At Keller, we make it a goal to know every student by name and need.

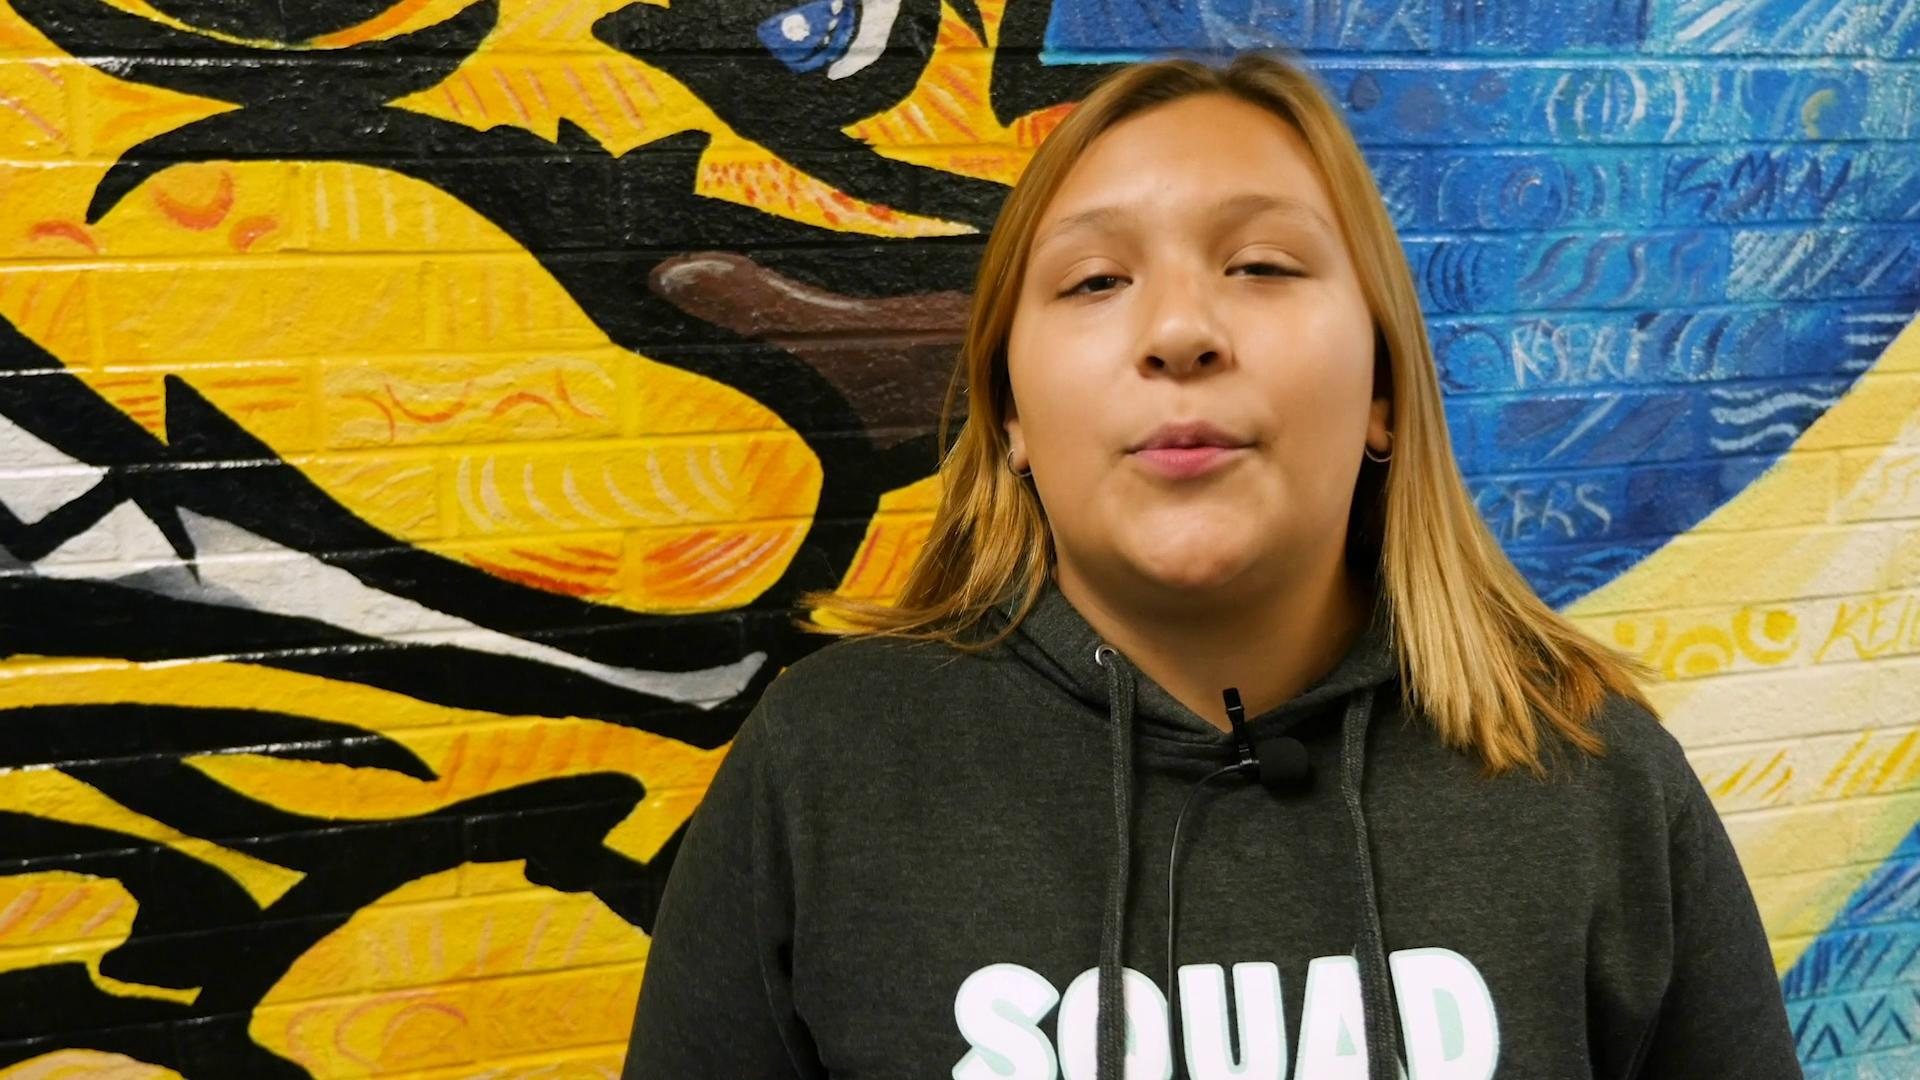

TOGETHER AS ONE, we will work to ensure the success of your child.

The Junior High Experience

SQUAD

KEIL

Your Child's School Day...

- Students enter the building at 7:30, go to their locker and report to first period by 7:40.
- Classes are approximately **40 minutes** in length with a 3 minute passing period.
- Lunch is 20 minutes in length.
- School ends at 2:15 (Wednesday at 1:45)

Wednesday Advisory Class

- Advisory is a class that your child will attend from 7:40-8:10 AM only on Wednesdays.
- During Advisory, attendance is taken and morning announcements are provided.
- It is during this time that staff will have the opportunity to provide lessons focusing on the District 54 Social Emotional Learning standards.
- This time will also be used to check-in with students on their academic progress prior to conferences.

Junior High Core Classes

Core Classes

- Language Arts (80 minutes)

- Digital video editing
- Digital photography
- State of the art video production lab!

MUSIC - Full Year or Trimester

- Drumming
- Computer Music
- Guitars
- Keyboards

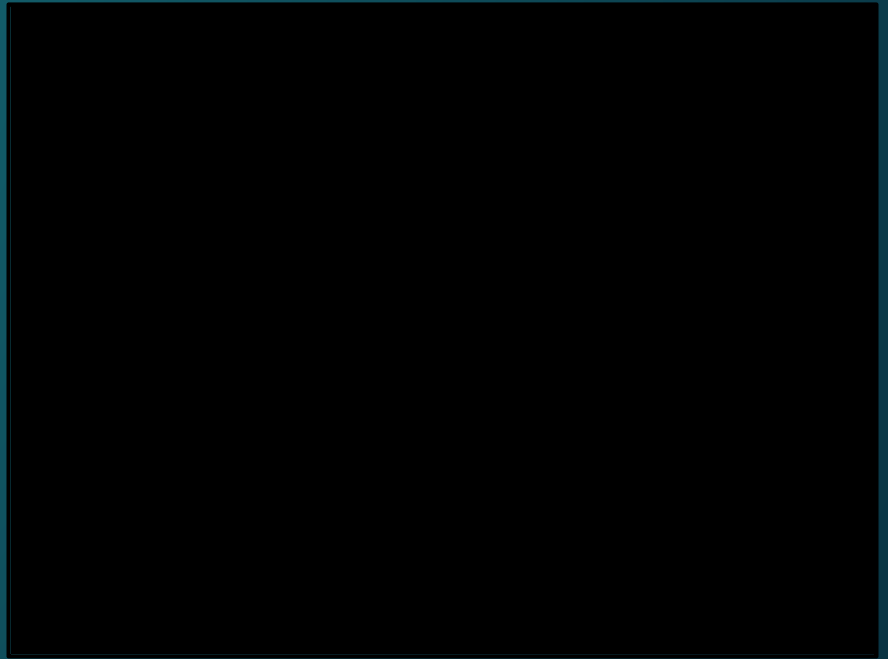

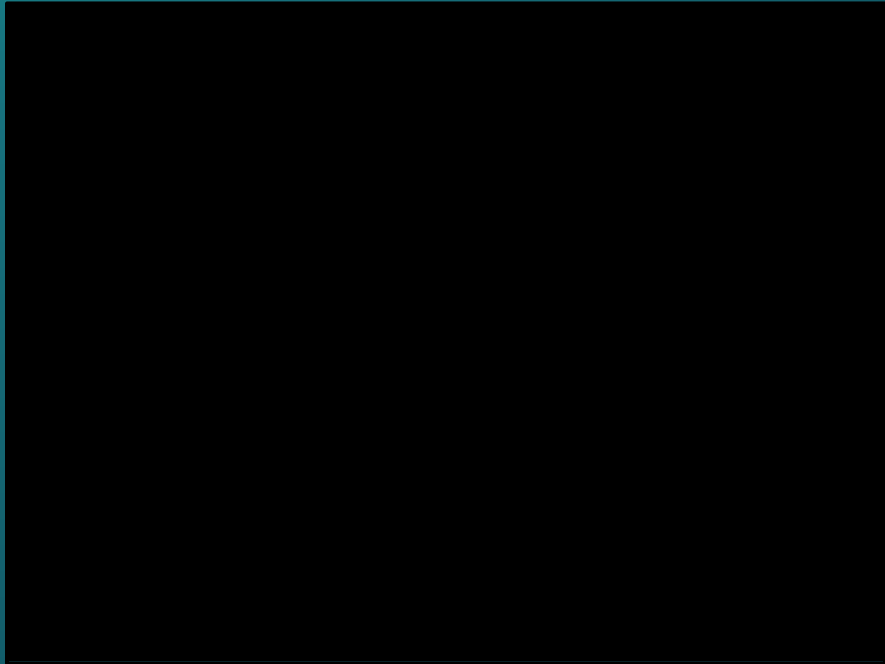

CHORUS - Full Year

- Sing together as a group
- Multiple performances during the year
- Learn how to become a better singer

SPANISH and HONORS SPANISH

HONORS SPANISH

Honors Spanish is an elective that allows students who speak Spanish at home or have previous experience learning Spanish to complete Spanish 1 and 2, a two-year elective sequence, at an accelerated rate.

By condensing the course content into one year, students increase their opportunities to participate in other electives while still having the needed preparation to be successful in Spanish 2 or Spanish for Native Speakers courses offered in District 211.

The criteria for placement into Honors Spanish are the following:

- 1) **The student is a native Spanish speaker or speaks Spanish at home**
- 2) **The student has had previous experience learning Spanish**

Period	Sample Schedule
1	Language Arts
2	Language Arts
3	Math
4 A	Math
4 B	Lunch
5	Social Studies
6	PE
7	Spanish
8	STEM
9	Science

Electives and Scheduling

- Every effort will be made to honor your child's request, *HOWEVER ELECTIVES ARE NOT A GUARANTEE.*
- MAP scores are reviewed throughout the school year. Students who score in the 40th percentile or below in MAP math and/or reading will be assigned math and/or reading acceleration course in lieu of an elective.

Math and Reading Acceleration

- Timely intervention to support students in math and literacy
- Built into the school day
- Delivered as an “extra dose” on top of high quality instruction.
- Aligned to the needs of the student
- Aligned to the standard(s) being taught within initial instruction.
- MAP scores and previous performance (trend)

Math & Reading Acceleration in the Junior High

1. Purpose of Math and Reading Acceleration: To provide additional support to students in math and reading in an effort to *accelerate* your learning to grade level and beyond.
 - a. This is no different than in elementary school.

2. MAP scores are reviewed throughout the year.
 - a. Students who score below grade level, in the 40th percentile or below, in MAP math and/or reading will be assigned math and/or reading acceleration in place of an elective.

3. For students that need additional support in math and reading based on course performance, will be enrolled in Math or Reading Acceleration in place of one or both electives.
 - a. Student academic progress is discussed on a consistent basis throughout each trimester.
 - b. Bottom Line: if you need the academic support, we will not wait! We will get you the support that is needed for you to be successful in math and reading.

Bottom Line: We will do whatever it takes, and what is necessary, to support you to be as prepared as possible and ready to MAXIMIZE all of your opportunities that await you in high school.

What We Believe at Keller Junior High

- That we exist to provide an educational experience that will provide the foundation for a better future and life for all of our students.
 - To ensure this experience becomes a reality for our students, our work will be fueled by our commitment to the staff, students, and Keller community to pursue EXCELLENCE and ALWAYS look for ways to learn, improve, and grow as a team at Keller.

Electives and Scheduling - *Continued*

1. Priority when scheduling is ensuring that you are placed in the appropriate core content subject classes (language arts, mathematics, social studies, science, and PE/health).
2. Once those classes are scheduled, every effort will be made to honor your elective requests. However, due to priority scheduling placed on core content class placement, we cannot guarantee that you will get both electives you have requested.

With over 600 students in our school, the task of ensuring that all students are placed into both of their requested electives is challenging. *We do our best to honor at least one of your requests.*

Investing in Keller

Clubs and Extracurricular Activities

CLUBS

- Anime
- Art
- Chess
- Club UNIFY
- Environmental
- Fluid Power Challenge
- FUSE
- Game
- GEMS
- Interact
- Math Team
- Musical Theater
- National Geographic Bee
- Rocketry
